Velma Lucille Andes-Frisbey
July 28th 1914
May 18, 2004

Velma told me, she was born July 28th 1914, in LeBeck, Cedar County, Missouri. Later, I found out that the town of LeBeck, was never incorporated and therefore not in the records at the courthouse. But there was a small community named LeBeck, just on the outskirts of El Dorado Springs, which was home to many.

Velma's Grandparents, Ellen Amanda (Murdock) and Jedadiah Richmond Anderson moved from Clitherall, Ottertail County, Minnesota to LeBeck with their two children Myrtle Rose and Lloyd Richmond Anderson. Velma never had the chance to meet her grandfather Jed; he died April 20, 1897 in LeBeck. Her grandmother remarried Phillip Ross and Velma grew up knowing him as her grandfather. The area around El Dorado Springs, MO was home to many of Velma's family. Her grandmother Ellen's, father and mother (Hyrum and Rachel Rozella (Kelsey) Murdock) stayed in Clitherall, however, many of the Murdock family members and Anderson family, along with her great grandparents, Sarah Marie (Cutler) and Buckley Burnham Anderson and their children, all came to the area. The Anderson and Murdock families were all members of the Latter Day Saints movement, living in Nauvoo at the time of Joseph Smith, Jr. death.

The Andes family came from Virginia. They lived in many different places before moving to LeBeck. Samuel C. Andes and his wife Elizabeth Wine, which were Velma's grandparents were raised in Virginia as members of the "Dunkard's" faith, their official church name however is, Church of the Brethren. This is very similar to the Amish faith. After their marriage, Samuel and Elizabeth were introduced to the Reorganized Church and were baptized.

I have never heard how either of these families came to choose LeBeck as home. However, I for one am glad that they did.

This cemetery, as of this date, name unknown, is located in Sec. 11, Big Spring Twp. on the Frank Kennedy farm northeast of Trowbridge. It is approximately 100-120 yards north of the

Neoga Illinois, blacktop road along the east line fence of this farm.

There was an iron fence around the Dodds & Blystone graves inclosing an area about ten feet square. The wagner stone was leaning on a tree nearby. Nothing has been done for many, many years To care for this family plot.

John Dodds and Charity Dodds Blystone are listed in the Gaskill Cemetery records. It could be that their bodies were disinterred from this plot and moved to Gaskill Cem.

Notes for AUSTIN LEROY HUBBARD:

Austin Hubbard died in a fire, a work accident.

Kansas City Star Aug. 31, 1989:

FLASH FIRE ABRUPTLY ENDS LIFE OF DREAMS, AMBITION Blue Springs business owner killed.

The dreams of a 24-year-old Blue Springs entrepreneur who wanted to build his modest painting business into a giant were shattered this week when he was killed in a fire in Independence.

For the past two years, Austin Leroy Hubbard owned and operated Austin's Painting out of his Blue Springs home. He was killed late Wednesday in a fire at a residence at 11502 E. 37th terrace while doing extra work with two friends.

On Thursday, his wife, Kimberly Rae, said that Hubbard's business had been doing well. He had been painting for seven years.

"He wanted to build his painting business up, and he was doing quite well with it," she said. "He was real busy and a real gogetter. He had painted homes all over."

Hubbard said her husband, a 1983 graduate of Lee's Summit High School, had been committed to his work and had assembled an expensive inventory of equipment, including a van, a truck, spray rigs and ladders.

"About 10 to 15 years down the road he wanted to branch out into the construction and building business," his wife said. "He had a lot of plans."

Independence police Sgt. Joe Schmidli said that Hubbard and two other men were lacquering cabinets at the residence on East 37th about 11:30 p.m.

Hubbard went to check on a compressor in the garage and left the two men working on the cabinets in the kitchen. A few minutes later, the two men told police, they saw a flash in the garage. The two men rescued a woman who lived at the house, escaping with minor injuries.

The two men were unable to enter the garage because of the intense fire and heat.

Schmidli said police think sparks from the compressor ignited the heavy lacquer fumes that had accumulated in the garage and house.

"That's how lacquer fumes are: very, very flammable," Schmidli said. "They caused a very hot fire, very fast."

The garage and house had minor damage. Hubbard is the third person to die in a fire in Independence this year.

Lee's Summit paper:

Austin L. Hubbard: Services for Austin Leroy Hubbard, 24, Blue Springs, who died Aug. 30, 1989, in Independence, will be at 11:00 a.m. Saturday at Newcomer's Floral Hills Chapel; burial in Floral Hills Cemetery. Friends may call from 7:00 to 8:30 p.m. today at the chapel. Mr. Hubbard was lifelong area resident. He had owned Austin's painting in Blue Springs for two years. He was a 1983 graduate of Lee's Summit High School. He was a member of the RLDS Church. Survivors include his wife Kim, and a son Zachary Austin Hubbard, both of the home; his parents Terry and Elaine Hubbard, and two brothers Joseph W. and Thomas G. Hubbard all of Lee's Summit; his paternal grandparents, Wilsie A. and Bertha Hubbard of El Dorado Springs; and his maternal grandmother Esther McGowan, Independence; many aunts and uncles, cousins and friends. "A million times we'll need you, A million times we'll cry, If love alone could have saved you, You never would have died. In life we loved you dearly, In death we love you still, In our hearts you hold a place, No one else will ever fill. It broke our hearts to lose you, But you didn't go alone, Part of us went with you, The day God called you Home."
