Christmas

Is:

Love

Hope

Peace

But more than this it is:

A THREAD OF DREAMS
—interlocking our lives

.... Dreams of nostalgic yesterdays

We recall with delight the Christmases of
early 1950 - 1960 when our children were
small

.... Dreams of exciting todays

We join with you in viewing each new day
with wonderment and gratitude

.... Dreams of expectant tomorrows

We still believe, as you do, in a tangible
society of love — even Zion — which had
its genesis on the first Christmas Day

During this 1971 Christmas Season the Holmes family addresses itself
to these dreams and shares in your fondest dreams for the HAPPY
NEW YEAR.
